Council Executive

As reported last month, Pat Currie has announced his retirement. The Council Board approved a committee to interview candidates, make a selection and extend an offer. The hope is to have the new Executive on Board by September 1st.

DISTRICT Committee Training

With the changing leadership and new members to Council, there is a desire to have District committee training as an area group. We are part of the Southeastern region (Trinity Trails, Five Trails, and Trinity Woods are part with us).

We are hoping to try to schedule this on May 31st to be held at the LDS building in Heath. More info to come.

Friends of Scouting 2017

We are still significantly behind our goal for 2017.. We will be holding a Community Breakfast on May 17, honoring Tom Cooper for his years of service to our District. Although it would be nice to raise the balance needed to hit our goal, it is highly unlikely. If you know of any individuals who could give any amount who have not already contributed, please contact Jules Smith or Adrian Rivas.

Twilight Camp

Plans are rapidly coming together for a great Twilight Camp. However, more help is needed to run this program for the week. If you or Boy Scout unit can help, please contact Melissa Hufford or Bobbi Laning.

There will be a number of fun events for all ages of Cubs.

Packs—if you have not already signed up, please go to CampMaster now. We need to know as soon as possible the numbers who will attend so we can insure we have sufficient supplies for all of the events.

June Roundtable--Cookoff

We will be having an outdoor roundtable for June. Once again all units are invited to show off their skills and best camping recipes. Please connect with Letranna Castro to let her know what your menu item will be.

Summer Plans

If you a Troop or Crew, there are still some spaces available at a Circle Ten camp this summer.

Packs—Webelos Summer Camp will be at James Ray. This will be a great opportunity for your boys to get a taste of summer camps to come.

Packs—summer does not mean you have to shut down. Family outings as a pack help keep everyone engaged and it is a great way to bring new members to your unit. If you need help with ideas and arrangements let your Unit commissioner or a member of the District Committee (I,e, The chair) know of your need.
